#### TO CORRESPONDENTS.

The articles signed S.M'S., Oba, Dion, C.E., and the Dialogue from Ballymena, came too late for insertion in this number. They shall appear in our next; as shall also the communications signed Filius Hiberniæ, Quintus Quiz, and Marcellus.

*Our Correspondents are requested to take notice, that, for reasons which shall hereafter be explained, it has been resolved, that the publication of this Magazine is to cease at the end of this year. As only two numbers now remain to be published, our correspondents will please to send forward, without delay, any communications they may be desirous of having inserted in our pages.*

#### ERRATA.

In the Magazine for August last, page 96, by a mistake, the national debt was taken at £.1000000000000, instead of £.1000000000; consequently, the different calculations are in proportion to these numbers.
